Subject: Carolina Water Service "Utilities, Inc"

Dear Jocelyn Boyd,

I live at 200 Match Point Dr, at the Forty Love neighborhood and very unfortunately my water is supplied by Utilities Inc. I lived most my life in Brazil a third world country however I hate to say this but the city water of Campinas was of excellent quality with no comparison to the HORRIBLE SMELLY water at Forty Love in Chapin, SC USA.

The water here: smells bad - sometimes stinks
tastes bad
looks bad - often is brown
leaves stains on anything we wash
started corroding our Hot tub

And now the company is proposing an increase increase on what is already to high. Paying more money for this kind of water is just absurd!

Please let me know you received this protest.

Thank you,

Jonathan Lipsi
